The map displays three routes from Landungsbrücken to Rüschpark. The grey routes are driving paths: one via A7 (22-28 min, 18.9 km) and another via B431 and A7 (24-35 min, 18.9 km). The blue route is a walking path (38 min) that follows the waterfront and through Finkenwerder. The map includes labels for various districts like Gross Flottbek, Altona-Nord, and Finkenwerder, as well as landmarks like the Elbchaussee and Köhlbrandbrücke.

Places to explore from my perspective

- As Xmas market season has not started yet, it will end of the month, an appropriate alternative is the Hamburger Dom
- Elbphilharmonie
- The 21 Up Bar in the Riverside hotel
